

Quotation for Presence Meditation – January 30, 2021 – 6:00 p.m.

Excerpt from Recording 562B: 1964 London Studio Class “World Work – We May Not Pass by on the Other Side”

At this state of your unfoldment, you owe a debt to God and to the world, and that is that you do not pass by on the other side of the road, but that you take note of every discord, every inharmony, and bring to bear the activity of the Christ. Be a transparency through which the Christ may dissolve the appearance.

You do nothing, and you do not necessarily have to think anything, but you must be still. You must be still for an instant and let His Spirit flow through you to the appearance and dissolve it. You may not pass by on the other side. ... It only takes a moment, the blink of an eye, to realize that in the presence of Christ, temporal power is not power. ...

Realize that in the face of every appearance, whenever a human appears to us, we are to lift up the Son of God in them and realize God incarnate in them. Whenever an appearance of sin, disease, death, lack, limitation, disaster, presents itself to us, we are instantly to realize that in the presence of God realized, in the presence of the realized Christ, temporal power is not power. Whether that temporal power is appearing in the form of sin or disease or death or accident or war, we are to realize that in the presence of the realized Christ, temporal power is not power. In heaven or on earth there is no greater power than *I Am*.
